SECTION 01 // PART 3 OF 4: RETENTION TERMS

01 Guarantees and signing bonus

SAFEHOUSE + EXTRACTION

30k

Safehouse and extraction if the old employer comes after them + no-leash guarantee

- No remote deactivation of cyberware
- Possibility to refuse gigs
- No debt traps: signing bonus, gear advances etc. are not clawed back with interest
- Possibility to quit at any point
- Mutual confidentiality

SIGNING BONUS

50k

20-50k signing bonus for high-value hires

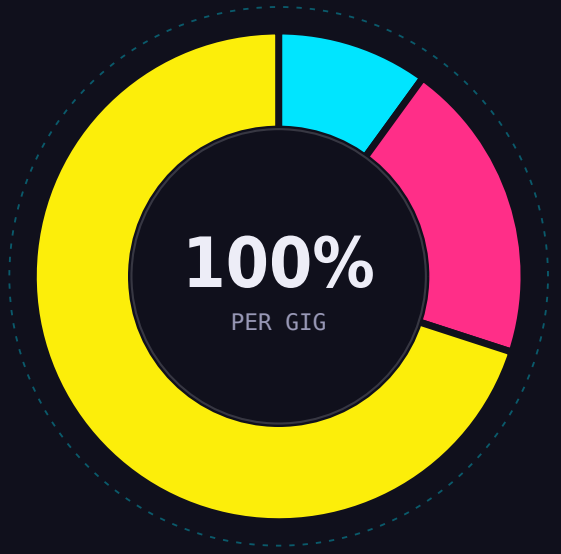

- Half when joining, half after 1-3 jobs
- First 3-5 jobs: 1.25 shares
- 1 year employment = 2-5% of the ASG fund surplus (equity stake) to who we want to keep

SECTION 01 // PART 4 OF 4: PROFIT SHARE

01 Profit share, not flat fee per gig

- **10%: Fixer**
- **20%: ASG tax**
  - Injuries / gear are paid from here
  - Underperforming jobs get compensation from here
- **70%: the edgerunners**
  - Everyone: 1 equal share
  - Critical role: 1.5 shares (Solo on an assassination, Netrunner on a data heist etc.)
  - Support: 0.5 shares + retainer: 2-4k / 6 months (Medtech, Tech, Media)
  - Minimum 1-2k per edgerunner

SECTION 04

04 Front and contacts

100k cash

- **Legitimate-looking security / consulting front**
  - The front keeps 50k in Militech stock in their name as a cover: they’re a security company investing in the security sector
- **Retainer/bribe to a few fixers for exclusive first-pick on work**
  - 1.5-5k / month (1 top-tier fixer, the rest get mid-tier pay)
  - +5% / gig IF we’re exclusive contractors (paid from the ASG tax)
- **Contacts: 15-25k**
  - 0.5-2k / contact: cops, clerks, dock workers, custom officials, corpo managers
- **Clients: mid-tier neutral corps: Eurocorps, Biotechnica, Petrochem, Orbital air etc.**
